Press Release

Winter 2014

Short “How-To” Videos Launched

Suhner Abrasive Expert has launched a series of “How-to” videos which can be found on YouTube or visit **http://www.suhner-abrasive-expert.com > go to videos**

The series, which has been launched with an initial 3 will be steadily expanded.

The first three are already on line and a further three will be launched shortly.

Whether you need to polish and finish stainless steel flat bar, stainless steel tube-hand rail, or inside tube polishing, Suhner has the answer. Of course, you can contact us to receive our expert advice on stainless steel polishing, aluminium polishing and even stone or glass polishing. Call Suhner Australia on (02) 9648 5888 or email sales@suhner.com.au
